The Los Angeles City Council Redistricting Commission (LACCRC) invites you to a

Council District 13

Community Public Hearing

Thursday, July 29, 2021 6:00 PM

Join us for an important meeting about “redistricting.” The purpose of redistricting is to redraw the maps that impact your community and to ensure you have the power to determine fair and inclusive representation in your council district.

And we need your help. Participating in the redistricting process can be just as important as voting. We need to hear from you to learn more about your community - its schools, its churches, its parks, and its people. Come learn and take action so that your neighborhood gets treated fairly and gets the resources it needs and deserves.

Please RSVP at bit.ly/LACCRCMeetings or call (213) 263-5765. Once you register you will receive a Zoom link that will allow you to join the public hearing online from your phone, computer, or other device. If you require translation services please let us know when you register.

Please share this invitation with your neighbors, friends, and family. For more information about the City's redistricting process, visit <http://redistricting2021.lacity.org>
